Chris,

Well, we've survived another year! I think, anyway. I don't know ho you've made it this far! We've had a blast though. All those times at the Tannery's till 8 o'clock. How 'bout after the Richard game. When we went to Next Door & all those Richardson guys were at the door! And when they wouldn't let us leave Pizza Inn until we paid. I don't think we'll ever forget the wa Mr. Wyatt drives. Thats why at least one of us has to pas the driving test! But if we eve run out of gas, you can go fin a police lady cause I ain't get tin out! Unless it's around Kirby & then I'll get in the trunk! We better have alot more great times. I'm sure we will!

Love,
Susan Donnellan

MOMENTS . . .

Ecstatic

A pep rally, a sports event, or a second between classes gave us a chance to laugh and have a good time. We didn't always find something to smile about though. It was hard to be happy after we flunked one of Mrs. South's chemistry tests or after we flunked one of Mrs. Morini's essay tests. But in spite of all the "downs" we had our share of happiness and enthusiasm.

MOMENTS . . .

Comical

We had our share of funny situations and people this year. These individuals helped make all the homework and hassle worthwhile. The laughs they contributed were special memories.

MOMENTS . . .

Together

We shared time with each other in the famous "B-Hall." Friends got together in the hall during the space between 9:45 and 10:00. Lunch time provided an opportunity for eating and just plain goofing around and talking. Togetherness was certainly part of the spirit around The High School.

Seniors displayed their superiority with Spirit 76 signs, tee-shirts, and their enthusiasm. Juniors ranted about Super Spirit 77, while sophomores misspelled their classification and bragged about the Great Seniors of 78. As a whole, though, all Mustangs seemed to have spent the year looking forward with apprehension to the questionable future — for many a future far away from the intersection of Coit and Melrose.

PHS Students Visit State Fair

Revue Is Huge Success Again

The Second Annual Homecoming Revue was a huge success again this year. The many acts performed included a solo by Janet Rickman, Bicentennial Minutes, and a dance routine by the Pacesetters to the theme of "Jaws." Jim Griffin was the emcee. The Thursday night show also included the presentation of the Homecoming Court, and finally, a pep rally.

Game Ends in Tie

The month of October was highlighted by preparations for homecoming. Many students labored long into the night trying to make their hall the very best one. Naturally, the Senior Hall was the best, and won first prize. The Homecoming Court was led by Queen, Cindy Speights, Senior Princess, Sherri Sundstrum, Junior Princess, Sue Pfaff, and Sophomore Princess, Lynda Gwaltney. The game was a close one, ending in a tie, Pearce 7, North Mesquite 7.

Students Deck Out for 50's Day

It looked like a scene from "Happy Days" when Pearce students dressed up for 50's Day. More students than ever took part in it as well as teachers, and to put everyone in the proper frame of mind, tunes from "American Graffiti" were played over the P.A. system at break. The only thing missing was the Wolfman Jack.

Drama Play Entertains Many

Many hours of working after school and late into the night were spent in preparation of "Don't Drink the Water," by Woody Allen. The drama department, led by Mrs. Zona Ray, performed the play on November 6, 7, and 8. It was a comedy about a vacationing American family who are forced to stay in an American embassy behind the iron curtain.

Fall Sports Banquet Held

On December 13, the 1975 Fall Sports Banquet was held. It was in the corral, and all were present who participated in fall sports. Kelli Wilson, the Football Sweetheart, was presented with a large bouquet of roses by the football team captains. A dance was held afterwards in the Cafeteria.

Senior Play Is a Comedy

The Senior Play was "The Man Who Came to Dinner," a comedy about an eccentric lecturer with a broken hip, stuck in the home of a quiet family. The play was performed on January 23 and 24 at Northwood auditorium and was a great success. Part of that success can be attributed to the exceptional performances by the four leading characters, Dan Zeigler as Sheridan Whiteside, Becky Taylor as Maggie Culter, Matt Hammer as Bert Jefferson and Lynn Doyle as Lorraine Sheldon. Smaller parts were equally well portrayed. Proceeds went to the Senior Prom.

Varsity Defense Displays Talent

The defense this year was the strongest point of the team. The Mustangs intercepted a total of fourteen passes during the year. Their performance displayed a team of talent. Marty Mitcham, Randy Parham, and Jim Sammons made the DALLAS MORNING NEWS all-district team.

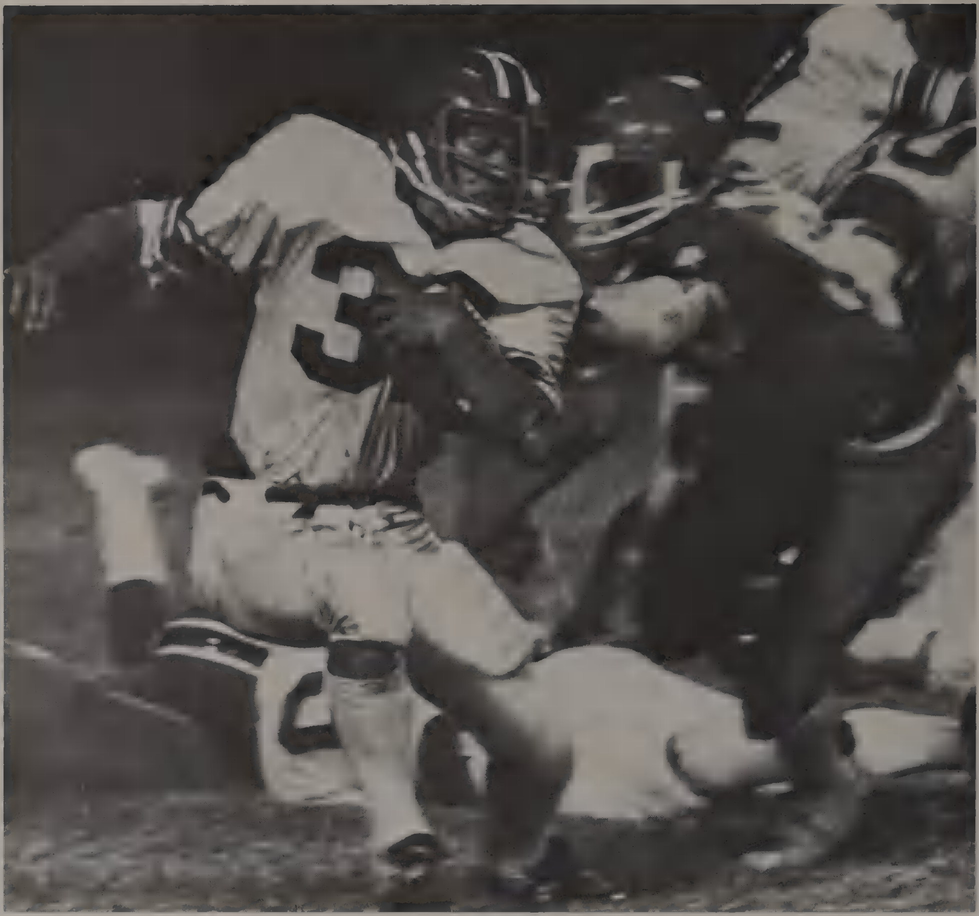
Season Offers Action

A-C-T-I-O-N action, action we want action. And that is exactly what the Mustangs gave us in 1975-76. The action was always fast and hard. It was obvious the boys were out on the field to play and play their best. Whether we won or lost, each game was filled with the excitement that gave us all a spark of hope.



(Right) Mike Bowers escapes? (Lower Left) Graham Stuart runs the ball with a glare in his eye. (Lower Right) Jim Crosby wrestles for the ball.

(Left) Touchdown! (Right) Is that Don Harris or Roger Staubach behind that mask? (Lower Left) Is Marty Mitcham mad or just wrapped up in the game like his friend? (Lower Right) "Oh, Oh, those guys are bigger than I am!"

Sidelines Reflect Emotions

All the action is not always on the field. The sidelines are wild and hectic places. Most of the important decisions are made from sidelines by the many coaches. Also on the sidelines are those players always hoping to play but in the meantime cheering their teammates on. Every move on the field creates an array of emotions by the nervous onlookers whether they be in the grandstands or on the sidelines.

"You've got to be kidding ref!"

Injuries Hinder Success

Injuries hampered the performance of many athletes this year. Quarterback Don Harris was recovering from knee surgery over the summer and later suffered an injury to his finger. Jim Crosby was also seriously injured in an early game and was lost for the season. Others including Mike Steffan, Randy Andres and Danny Galvan also suffered injuries.

Junior Varsity Anticipates Future

J.V. Team Shows Improvement

This year's J.V. squad proved to be much larger compared to years past. At times the defensive line averaged in the area of 210 lbs. The speed of the team increased well over last season by a great margin. Injuries didn't play a big part in the season, except for the loss of running back James Cude.

PHS Battles for District Title

Pearce had its largest Volleyball team ever due partially to the rising interest in women's sports. The team played other area schools and ended up battling Richardson for the district title. Although they were defeated, the Mustangs worked hard and displayed much ability. Lots of sophomore talent promises a bright future for the team. The teams were coached by Ms. Joelle Barnes.

Mustangs Score High

Mustangs, working well as a team, scored many points this year. Games were usually close and some decided by only one point. In the North Mesquite game, the Mustangs lost by 70-71 in the closing seconds. The continuous scoring by the team kept the attention of the audience and gave the cagers initiative to go on to victory.

Cagers Press Too Hard

The Mustang varsity basketball team opened the season with a win over St. Marks. The cagers again showed their excellence by placing second in the well-known Dr. Pepper Tournament. Of this year's team Coach Royce Cooper said, "The moral and the attitude of the players was good. One of the main problems was the team was pressing too hard. This caused many fouls which put the Mustangs on the defense and gave the opponent an immediate advantage."

Teamwork Displayed Throughout Year

This season the Mustangs displayed a fine show of impressive individual talent. The rebounders and shooters all proved to be players of great ability. The team, next year, will lose eight seniors and leave five experienced juniors. Only through their combined efforts could they have produced such an exciting and winning team.

The B-team seemed to keep their spirits up through the long tough season. They showed a lot of improvement throughout the year. The players gained a lot of experience that will be useful next season.

Wrestlers Struggle for Victory

The Wrestling team had a tough season in 75-76. They worked and played well but didn't get their first win until the January 16th match against Jesuit. The team, which is much smaller than previous years, was again coached by Bob Flanagin.

Swimmers Dive Into '76

Practice makes perfect or so they say. This must be the opinion of new Coach Ida Christenson. Before and after school workouts were held whether it be 80 or 50 degrees. The idea must be correct because the Mustangs fared well in '76.

(Upper Left) "If you do that again, I'll clobber you!" yells Cindy. (Above) Pierre Levy makes goggley eyes at photographer. (Upper Right) Becky Shaerer checks swimmer's time. (Lower Right) PHS swimmer sunbathes between races.

Cross Country Team Sets Good Pace

The Cross Country team worked hard this year. Much time was spent running around the Pearce area to get into shape for district races. The Mustangs occasionally had runners in the top finishers including Randy Smith taking first in one race and Kevin Klughart third in another. Coach Don Snowden became the new coach for the '76 team.

Gymnastics Grows Swiftly

Girls gymnastics was formed this year with the help of Coach Gloria Konold. She pulled the team together with practices before and after school in the fall of this year. The team attended several clinics which helped them win a first place trophy in Division II at the City Meet and second in Division I and overall team scoring. Coach Konold was proud of the team and hoped that gymnastics would in the future become a UIL sport.

"I don't think this is going to work," says Kathy Rudolph to Kim Christenson.

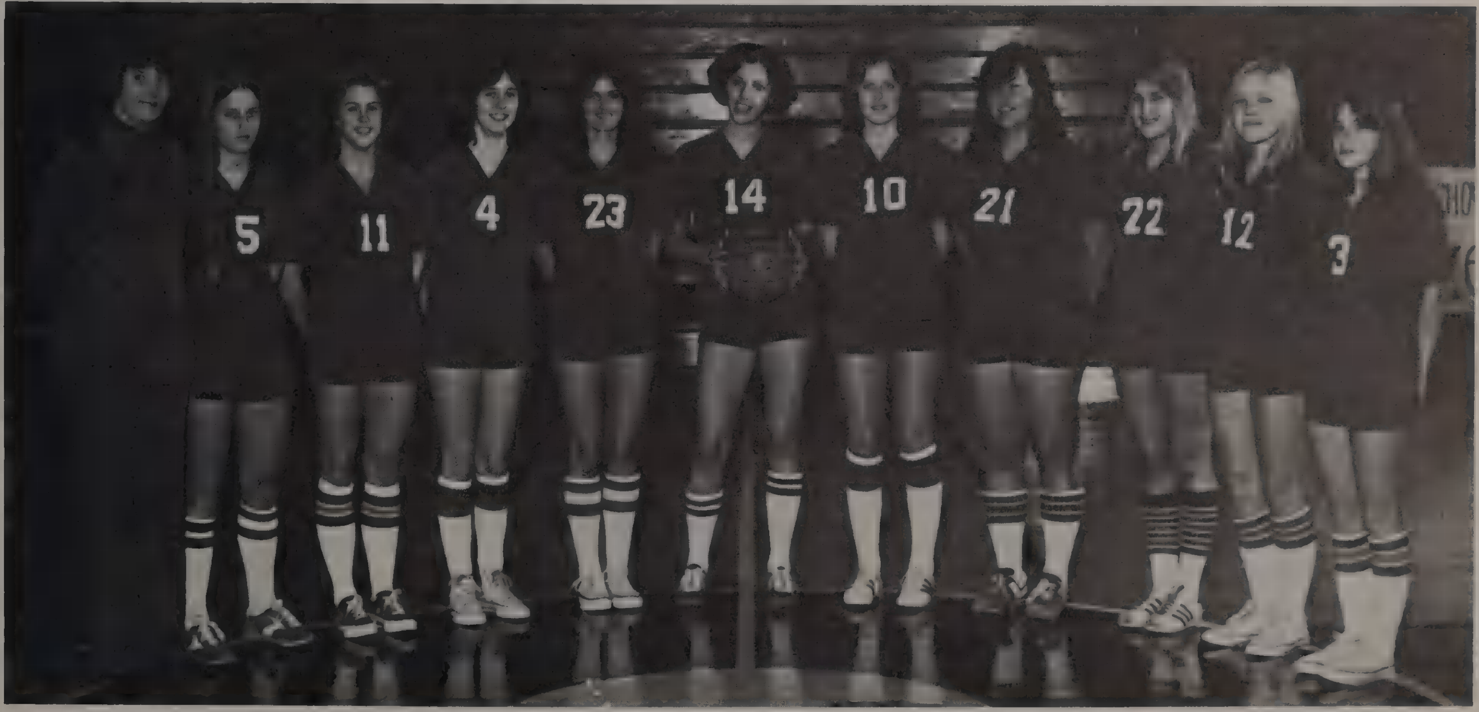
Girls' Basketball Firmly Established

Girls' Basketball has grown slowly at Pearce but they have finally developed into two fine teams. Mrs. Betty Anderson, new coach for the team, is partially responsible. Practices were held from 8:00-9:45 in the morning. Hopefully with the continuing hard work of all involved, PHS will have two victorious teams.

"Now what was that step again?" asks Sheri Mungai.



L-R Coach Betty Anderson, Kelly Ellis, Susan Pfaff, Laura Walker, Donnie Johnson, Lee Schillaci, Kathy Pierce, Debbie Smith, Julie LaFollette, Regina Smith.

Tennis Team Swings Into Action

The Varsity Tennis Team started the season off by placing second in the North Garland Tournament. The players began practicing after the Christmas holidays. This was Mrs. Meeks' first year as coach and she proved to be a great asset to the team. With the growing popularity of tennis, PHS had one of the largest teams in its history, including over twenty members.

Tracksters Get Great Start

This year's Track and Field team consisted of over forty talented tracksters. With such a large team, victories are bound to be the result. In the first meet of the season, Pearce placed third and in the Sunset meet came in fourth out of twenty-four area schools. Outstanding performances in these meets were a first in the high jump, first in the 440 dash, second in the 100-yard dash, second in the 440 relay and a second in the 880 relay. As last year one of the strongest points of the year's team was the relay. Coaches of the team were Don Snowden and newcomer Gene Young.

Girls Track Takes Quick Strides

The Girl's track team worked harder than ever this year. The team worked out from before school through first period and then after school. As the boy's team was large so was the girl's. Every event was well covered with talented girls. The team was made up largely of experienced tracksters who did well last year and hoped to do well again. Nancy Murphy was again the coach who drove the Mustangs to victory.

Soccer Scores at Pearce

Winning is the greatest reward possible for the many hours of work put in by the soccer team. This was indeed a rewarding season. The highlight being the Mustangs defeating Richardson. The team was an enthusiastic one with many players returning from last year. This year's new coach, Richard Mungioli, is responsible for much of the enthusiasm. A big factor though is the increasing number of fans turning out for each game. The cheering of onlookers helped create exciting play in the quickly growing sport of soccer.

Girls Soccer "Heads" to Future

Girls Soccer is not yet a UIL sport but is sure to become one in the near future. The sport was well received at Pearce with a large number of girls turning out for the team. The Mustangs fared well winning the majority of their games which they played against other area high schools and Richardson athletic teams. The girls practiced every day after school and played their home games at the Richardson Civic Center on Sunday afternoon.

The matches were held at our home course at Canyon Creek and other area golf courses. The team, one of largest in Pearce's history won many matches and hoped to do well in district. This year's coach was Doug Moore.

Baseball Team Has High Hopes

Returning to the baseball team this year were ten lettermen. With this experience and lots of enthusiasm, the team was well prepared for the season. The opening game was played March first against Plano. Coach MacIntyre looked for the Richardson schools to be the toughest in district. Everyone felt a winning team was very probable as they reflected back on last year's second place district team.

Seniors Move Toward New Horizons

The end began on '76 for the Seniors, yet another beginning awaits them. All of their studying and testing and personal achievements will come to call when they leave as the bicentennial graduating class of J. J. Pearce.

Days . . . they passed so slowly
Years . . . went by so fast
Yesterday . . . we got started
Today . . . our goal at last
Reflections . . . of our moods
were found inside a ring
Freedom . . . of our country
forever it shall ring
Beauty . . . in our friends
we've met along the way
Seniors . . . get their freedom
some would like to stay.

(Upper Right) Pacesetters fall apart. (Center) Are you sure you're Todd? (Lower Right) David Lee shows everyone his winning smile. (Lower Left) Seniors have lots of "soul."

Music was a very important part of Kathy Rainey's high school years. She has been in band for four years and was involved in orchestra, the Homecoming revue, and the flag corps. She was also a member of the Fellowship of Christian Musicians. Kathy's other interests were Mu Alpha Theta and the Latin Club. She was also a commended student.

Juniors' spirit soared

For the Juniors of '76, the year has passed. They showed spirit that started new expressions, ideas, traditions, and memories that will carry on to the Senior year of '77.

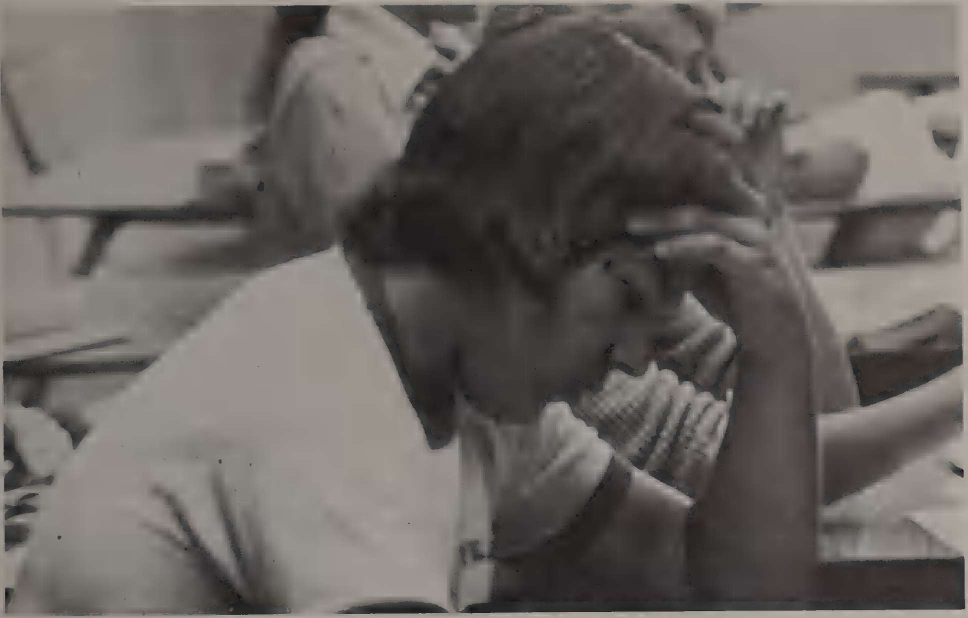
Sophomores expressed tremendous spirit



The spirit of the sophomores of '76 outranked that of any previous class. They began their three years at Pearce with a fantastic start.

Driver's Ed. . . .
  permit clutched in hand
Pep squad . . .
  spirit in large numbers
Fads along the way . . .
  "big tops," puka shells
  four inch wedges, scarfs
Confusion on the quarter . . .
  three terms instead of two
Sophomores '76 will carry the strong spirit into the Junior class of '77.

Cheerleaders Set Goals

As the Cheerleaders of Pearce High School began the 1975-76 school year, they set special goals; to bring love within the squad, to raise Pearce's school spirit to an all time high, and to make this bicentennial year a year to always remember. Although the year passed quickly, the cheerleaders will always be proud to have represented such a great school as J. J. Pearce and they were proud to have contributed to the "Spirit of '76!"

Spirit Drivers Donate Time

The 1975-76 Spirit Drivers performed at the games with pom-pom, flashcard, and glove routines, but did much more than that. They spent a great deal of time working on a homecoming routine, baking for the football players, selling spirit ribbons, decorating houses, and encouraging the overall school spirit. This year's pep squad was a special one in that it was made up of a large group of hardworking girls who knew the true meaning of school spirit.

COME SEARCH WITH ME MY FRIEND

AND WE WILL SHARE ALL OUR TOMORROWS.

WE WILL SHARE OUR LAUGHTER,

OUR SORROWS, AND OURSELVES.

WE WON'T HAVE TO WORRY WHAT LAY AHEAD.

BUT IF BY CHANCE,

WHAT TOMORROW BRINGS COMES TOO EARLY,

WE CAN LOOK BACK ON ALL THOSE BEAUTIFUL

MOMENTS CALLED YESTERDAY.

You'll like that!

Good morning yesterday. You wake up and time has slipped away . . .

Chris,

I'm really glad I was in the same class with you. I knew who you were but I never knew you really. I found out what a great personality in you. It just showed me to give everyone a chance.

Good Luck & Be Careful—but have fun

Nancy

Here comes the setting sun. The seasons are passing one by one. So gather moments while you may. Collect the dreams you dream today. Remember . . .

Chris . . .
History has been fun
this year . . . despite Bret.
I'm really glad I know
you. Luck always.

Love,
Kathy Raymond

Chris,
Going to Marcel's was a blast
I Hope you take French III
next year so we can do it
again. I know you'll have
a great summer 76 to 2076
Don't drink to much and don't
do anything I would do.
Unless you just have to.
Take it cool always ......g

Rodney Arnim
(Louis)

Chris,
It was
and is a great
first year at Pearce
it seems like the only
time I ever see ya is
between running here and
there I hope we have a bunch
of classes together next year.
Love your friend.
Lorrie

Chris,
I really didn't
get to know you
very well, but
there are 2 more
years left to
do so. Good
luck always
and I'll see
ya next year
Kathy
Bodhaine

Hello chris,
How's terri (ford: your sister)?
It's been fun having you for
English, and you make the best dear
abby I've ever seen. Hope I'll see
you at the club this summer.
Bruce
Markham

Chris,
I'm glad I got to know you
this year. I'm glad you were
in my history class because
we had a chance to talk
and get to know each-other.
Also, we both made it
through D.E "Corzine" that
was a miracle. Lots of
love, laughs and luck the
rest of your life.
Love,
Carolyn

Chris,
Wow! What a year!
With Mr. Corzine!
I'm glad I got to
know you better and
I'm glad we're friends.
Have a nice summer.
Love, Sharon

Chris,
I'm glad I met
you this year. I'll always
remember P.E. Tennis and mod.
Dance. I'll crack up everytime I think
of those funny dances we used to do. Those
were some good times. Hope you have a
good summer and maybe we'll be in the
same classes again next year. Remember
Shaker? Love
Karen

Dear Chris,
We sure had
a good time at the
restaurant last night
didn't we (despite
the mix-up). Take
care of yourself
next year.
Best of Wishes
Donna Jean Reed

Chris,
We had
a pretty good
time in French.
With nancy falling
asleep all the time + with
such a small class it was
hard not to become friends.
I hope to know you even
better next year. Au revoir!
Susan
